

12 TRIP 2021

HOUSEBOAT

MAY 30-JUNE 3

WHAT IS 12 TRIP?

The 12 Trip is our capstone discipleship trip for upperclassmen entering the college transition of faith. Jesus gathered 12 around him to teach them how to follow; this intentionally small group trip functions the same. Based around life together, bible study, worship, sharing of testimonies, once in a lifetime experiences, and talking about how to follow God wholeheartedly in adulthood.

HOUSEBOAT?

12 Trip is all about transitions, and preparing for them. We will take example from the many water metaphors in scripture as we spend time on the Mississippi River.

WHERE?

We are driving to Alma, WI and then hoping on a 12 person houseboat. Each day we will go a little farther down the Mississippi, stopping at a different dune each night for swimming, campfires, and games. Bible Study, and Discipleship conversations will take place in the mornings, adventures in the afternoon, and worship and testimonies at night.
