

Vertical Habits: Exploring the Language of Worship

February 2018

Spiritual Formation

February 2018

In this 4-week class, we'll explore how worship shapes our words to God and to people. Through the examples of the Psalms, teachings of worship theologians, and creative engagement. We'll learn what the vertical habits are, how they're exemplified in the Bible, and how we may practice them devotionally and corporately.

Upper Room, 10:30 AM

Adults and students (middle-school and up)
are encouraged to attend.

Class taught by Pastor Joy
