

# WILDERNESS TRIP

## WHAT?

Wilderness Trip is a time to snuff out the noise of life. No cell phones. No iPods. No obligations. Just goals to accomplish, some of God's most beautiful creation, and friends for the journey. You will experience triumphs, challenges, friendships and beauty you never thought possible. In short, Wilderness Trip is amazing.

## WHEN?

JULY 12TH-16TH

## WHERE?

We will travel by van to the Boundary Waters Canoe Area and spend three days on trail with Adventurous Christians ([adventurouschristians.com](http://adventurouschristians.com))

## WHAT WILL WE DO?

Canoe some of the most beautiful water you will ever see, make lasting friendships, and have a week you'll never forget. Wilderness Trip is for everyone, even if you haven't been on a trip like this before! If Cortney can do it, so can you!

## COST

In our commitment to be cost effective, the whole experience will cost only \$450, which includes all food, transportation, and activities. Scholarships always available.
